

GUIDE 4

HOW TO TALK ABOUT GOD SIMPLY?

*Always be prepared to give
an answer for the hope that
you have; but do this with
gentleness and respect.”
— 1 Pierre 3:15*

THE GOSPEL IS NOT A THEORY — IT IS AN ENCOUNTER

Speaking of God is not reciting a prayer, it is bearing witness to a living relationship.

You don't need to know everything, nor explain everything. You are simply being asked to share what you have experienced.

When you tell how God has loved you, lifted you up, forgiven you, or transformed you, you sow a seed.

And even if you don't see the result right away, the Holy Spirit is at work.

It is not the one who plants nor the one who waters who matters, but God who makes things grow. – 1 Corinthians 3:7

THREE KEYS TO IMPACTFUL TESTIMONY

Be true.

Tell your story, not someone else's. What God has done for you is already a powerful message.

Be gentle.

You have nothing to impose. God's love attracts through its gentleness, not through fear.

Be driven.

Don't try to "succeed" in your testimony. Listen to the Holy Spirit: sometimes He will tell you to speak, sometimes just to listen.

For it is not you who will be speaking, but the Spirit of your Father who will be speaking through you. – Matthew 10:20

HOW DO YOU APPROACH SOMEONE?

Examples of simple sentences:

“I believe God loves you, even if you don’t see it yet.”

- ***“I went through the same thing, and faith really helped me.”***

“I can’t explain everything, but I know that God’s peace is real.”

Tip: always start by listening.

Listening opens the heart more than a long speech.
